

At the Peg Leg Porker, we are serious about our BBQ. Hickory smoked for over 16 hours; our pulled pork is moist, tender and delicious. We cook fresh every day and have a very limited menu to keep all of our items the best that they can be. We would love to be part of your special event.

We cater anything from a small office party to a large gathering of 2000. We can do pick up, on-site drop off or on-site full service. Just let us know what you need and we can find an option to meet your budget.

Want something different? Ask us about off menu items for special events. We can get pretty creative with smoke and have been known to offer such items as: Asian Glazed Pork Belly, Smoked Chicken Salad, Black Bean and Corn Salad, etc.

WHOLE HOG – Want to look like a rock star? We are one of the few places in town that can do a whole hog. Please call for pricing.

With deep seated roots in West Tennessee, I developed an appreciation for BBQ at a young age. At 17 my life changed. I was diagnosed with an aggressive bone cancer and lost my right leg. After winning a hard fought battle with the support of my family and friends, I emerged with a new and more positive outlook on life. I realized that every day would bring a new adventure, opportunity for new experiences and most importantly a chance to eat more great food. It is this zest for life, sense

of humor and positive attitude that I share with you in my signature “Peg Leg Porker” restaurant, sauces, rubs and Bourbon.

When it comes to barbecue in Nashville, everyone seems to be throwing their hog on the spit these days. But no one does it better than the Peg Leg Porker, aka Carey Bringle, at his eponymous eatery in the Gulch. Sure, his proximity to the Scene offices doesn’t hurt, but we’d gladly drive across town to get his succulent dry-rub ribs, smoky pulled pork or mammoth chicken wings.

*“These guys are the real deal. My wife and I visited several bbq places during our long weekend in Nashville and this place was the best by far! We loved it so much we grabbed two sandwiches to take with us on the way to the airport.”*
